FROM

THE MUNICIPAL COMMISSIONER

To The Secretary to Government

(Through the President, City Municipal Council, Mysore)

Sir,

747

In continuation of this office letter No C C P 54/5°-53 dated 7-1-54 regarding the acceptance of the lowest tender of M/s K Lingaiah, Bhoreedal for ₹ 1,04,834/- for improvement works in municipal Farm (Under Drought Relief Scheme) in respect of the estimate for ₹ 1,65,000/- sanctioned in G O No P W 8453-57°/Ry 4-53-1 dated 7-1°-53, I write to state as follows -

The existing strength of the engineering subordinates in this municipality is quite inadequate and it is not possible to spare a hand from the existing strength for supervision to major work

I am enclosing herewith a copy of memorandum No 15309-413 L 53-54 dated 6-1-54 from the Chief Engineer of Mysore, Bangalore promoting Sri L V Chandrasekharaiah, a subOverseer at present, to the rank of an overseer and requesting this office to intimate whether this official could be continued in this Municipality

As there is no sanctioned post of an overseer in this municipality it is not normally permissible to entertain an overseer against the sanctioned post of a subOverseer It is therefore proposed to continue this official for a period of one year from 6-1-54(Date of Chief Engineer's Memorandum promoting the official as overseer) to put him in charge of this special work The Municipal Engineer is of the opinion that a subordinate with experience in project works only could handle the work satisfactorily I entirely agree with him as there could be no second opinion on the point The sanctioned estimate for ₹ 1,65,000/- provides a sum of ₹ 1,000/- for entertainment of temporary establishment This provision very nearly suffices for meeting the pay and allowances of an overseer together with contribution for leave and pension charge for a period of one year

The requirements of the work for temporary establishment of any other character will be met by a suitable readjustment of the existing establishment, without any cost. As the work has already been taken up on land as resolved by the Municipal Council, Mr. L V Chandrasekhara Rao overseer has been continued in this municipality for supervising this major work. The Chief engineer of Mysore has also been intimated accordingly.

In these circumstances, I request you kindly to obtain and communicate sanction of Government, at an early date, for the retainment of an overseer in grade 100-10-150 plus C A of Rs. 40 for a period of one year from 6-1-54 against the provision of Rs. 1000/- made in the sanctioned estimate. A formal resolution of the council in this behalf will be obtained in due course and forwarded for the information of Government.

Yours faithfully
